1968

Reg,

I think you are a completely groovy guy, and I want you to know it. I really am sad that you're leaving and I probably won't see you anymore. I hope I see you at the beach or anywhere.

Remember when we went to the snow. That was really fun. You're such a complete crack up.

At least you got rid of your power machine.

Love Always,
Wishell

DEDICATION

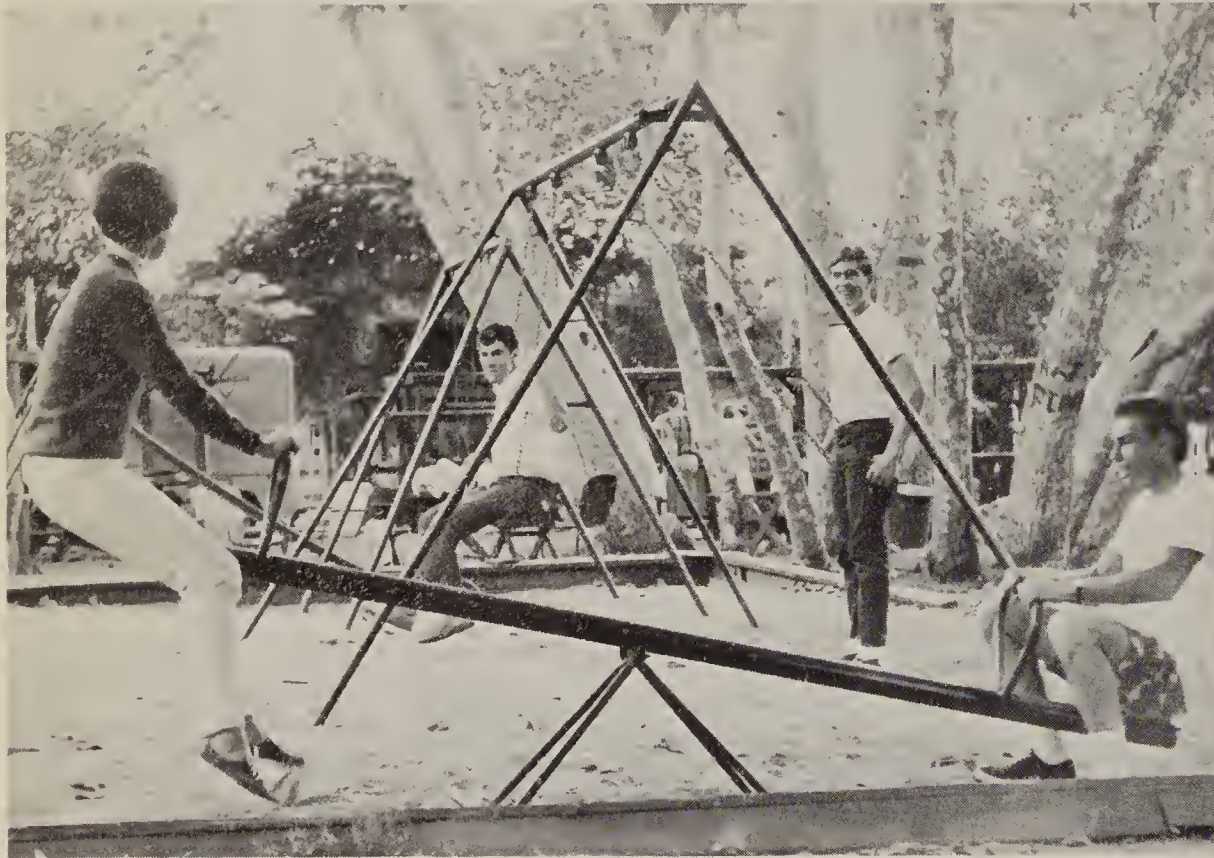

This space in the annual has been dedicated to Mr. Cates, to whom the Seniors wish to say a big "THANK YOU". Mr. Cates has counseled us thru four years filled with many happenings, many of which were new to us. These happenings ranged from happy, exciting, and glorious experiences to sad, exasperating, and heartbreaking disasters.

This year Almaz Fessha was a member of the outstanding class of '68. Since she is Monte Vista's foreign exchange student as well as part of the senior class, our gracious senior class honored her with a Senior Privilege Card and Senior Key. The most exciting honor says Almaz, was being honorary princess during the Homecoming Festivities.

(Not Pictured, Lynette Lebduska).

Mr. Johnson is the choral music instructor.

There are three choral music departments. Girls' Glee is made up of girl singers not quite ready for complicated Choir work. It consists mostly of freshmen. Choir is a combination of girls and boys who have strong voices and can sight read well. Madrigals is a select group of polished singers who sing only the madrigal pieces. It is available by audition only.

This year the Choir, Girls Glee, and Madrigal group went to the El Monte Folk Music Festival where ratings were given according to performance. All three groups also put on a Christmas program and participated in the Spring and Pops Concerts.

At the end of the year at the Awards Banquet, awards for the outstanding freshman, sophomore, junior, and senior boy and girl, the best accompanying, directing, and composing are presented. The Bel Canto Award is given to the most accomplished senior boy and girl singers.

The Choir is practicing for one of the many programs they put on for the school and the public in general.

The Girls' Glee Officers are from left to right: Pres. Sally Edson, V.P. Elona Clark, Librarian Patricia Mante, Treas. Suzanne Scudder, Librarian Christine Daughterty, and Sec. Nancy Carlson.

Do you really have claustrophobia?

Anybody want a hot seat?

Would you believe size 13?

ART AND ARCH.

The purpose of the Art And Archaeology Club, under the direction of Mr. Gray, was to develop an imaginary culture. Artifacts, representing the culture's way of life, were buried for the summer Archaeology class to dig up and analyze.

Members spent long hours working on artifacts.

Officers were left to right: Mr. Gray, sponsor; Mary Burak, Pres.; Cindy Little, V. Pres.; and Becky Groves, Sec-Treas.

ROYAL

Debbie Persky, Dennis Williams and Mrs. Streib discuss pictures to be put in the Royal Page.

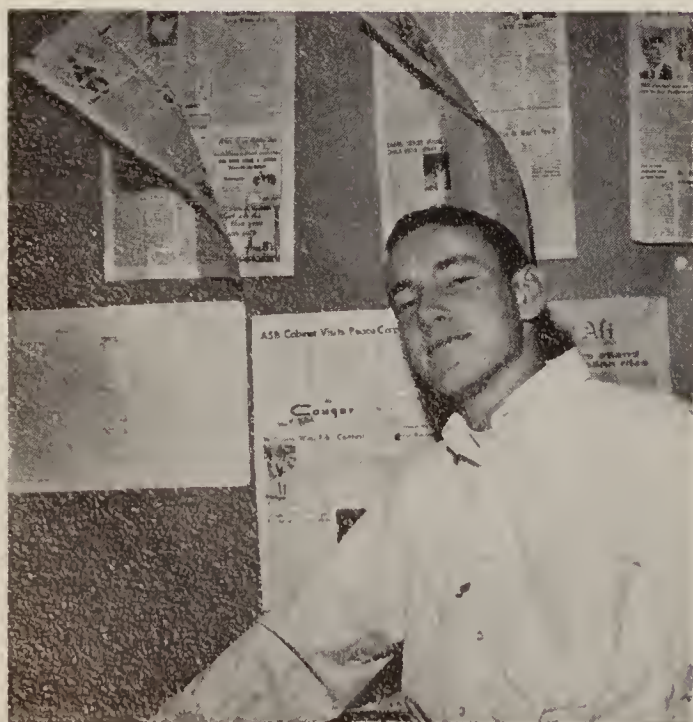

"Life is a deadline on the Royal Page" said one unknown member of the Staff. The Staff which receives full credit for the class has a goal: to publish the name of each person once during his school career. The largest problem the staff runs into is staying within its budget. Staff members are chosen by Mrs. Streib after they have completed one year of journalism. This year the Royal Page came out every two or three weeks.

SPEECH TEAM

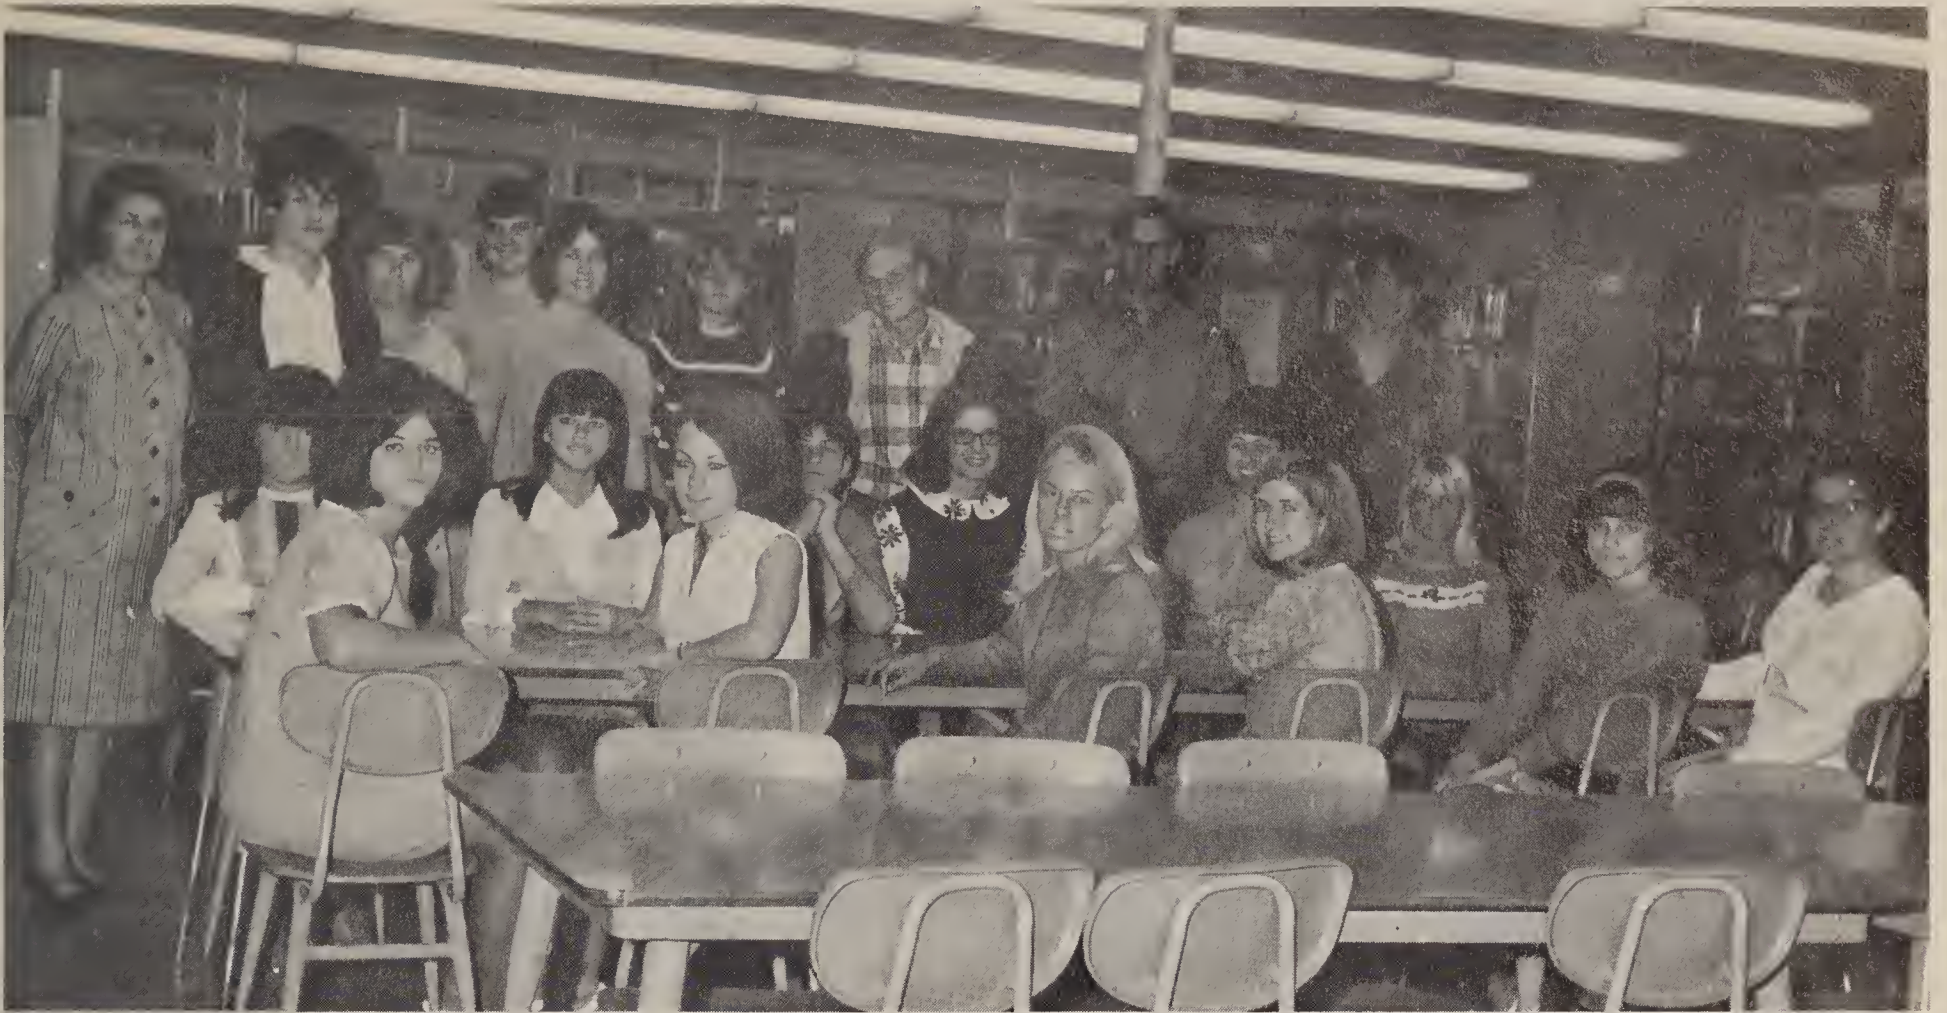

SPEECH TEAM, left to right: Bill Maltz, Kile Fach, Ann Hogan, Steve Misch, Earniestine, Ray Bryant, Monica Fegan, Chris Barr, Kathy Eulitt, John Sawyer, Kathy Phillips, George Vila, Dixie Cramer.

The first big tournament the Speech Team had this year was at Sweetwater H.S. It was for novices only and emphasis was placed on Debate, Extemporaneous (an original speech on an assigned subject written and memorized in 45 minutes), and Impromptu. Another tournament was held at San Diego State College, and the largest novice (beginner) tournament at Palomar College earlier this year.

Debate and Extemporaneous are the most difficult speech events and they require a great deal of time in preparation. This year's debate topic concerned a resolution proposed to Congress for more effective crime fighting. Sources for this material ranged anywhere from magazines to interviews with lawyers. Extemporaneous, Oratorical Analysis, and Oratorical Interpretation events also required a great deal of memorization.

Membership in the National Forensic (Speech) League is achieved by accumulated points, which are earned according to the number of contests entered and the places taken in each. Fourth degree in N.F.L. is the highest honor possible. One member, Chris Barr, achieved it this year. He is the second person to do so in Monte Vista's history. Ann Hogan is a third degree member.

LIBRARY CLUB

The Librarian, Mrs. Woods, heads the Library Club whose officers are Pres., James Glover, V. Pres., Catherine Headke, Sec., Priscilla Williams, and Treas., Douglas Owens.

More of Lani Minella's pep posters light up the Monarch campus. Her wit helped to spark vigor in the Football and Cross Country teams while also reminding monarchs of upcoming events. Here, students converse in their casual manner.

Traditional of the Monarchy is the foolproof morning grapevine. On the left is part of the also traditional Basketball clique. These boys eat, sleep, play, practice, and meet together each morning on the lawn (shame!) to plan events.

ACTIVITIES

Almaz Fesseha from Ethiopia is staying with the family of Julie Hawks. Her first impression of Monte Vista was "the friendly and kind people." She says that MV is quite different from her Queen Sheba school at home. "There the teachers moved from class to class instead of the students." Although holding a heavy schedule, Almaz finds time out to have fun with the Senior Y-Teens. She said her most memorable incident was at the mountain retreat "when I slid down the mountain on my bottom in the snow!"

Upon returning to Ethiopia, Almaz plans to enter Engineering College at Addis Ababa where she will learn to design buildings and bridges. The Monarchy will miss her shy, sincere smile.

The officers are: Doug Nelson, President, Cindy Burnham, Vice-Pres., Mrs. Ermenkov, Advisor, and Jana Sigars, Sec.-Treas.

INTERNATIONAL CLUB

International Club is one of the most worthwhile organizations that exists at Monte Vista. The purpose of International Club is to promote international friendship and to help students come and go abroad with the selling of bonds. The successful bond drive of the 1966-67 school year made it possible for Almaz Fesseha to come to Monte Vista from Ethiopia this year.

Doug Nelson, President, presides over the International Club meetings every other Friday morning.

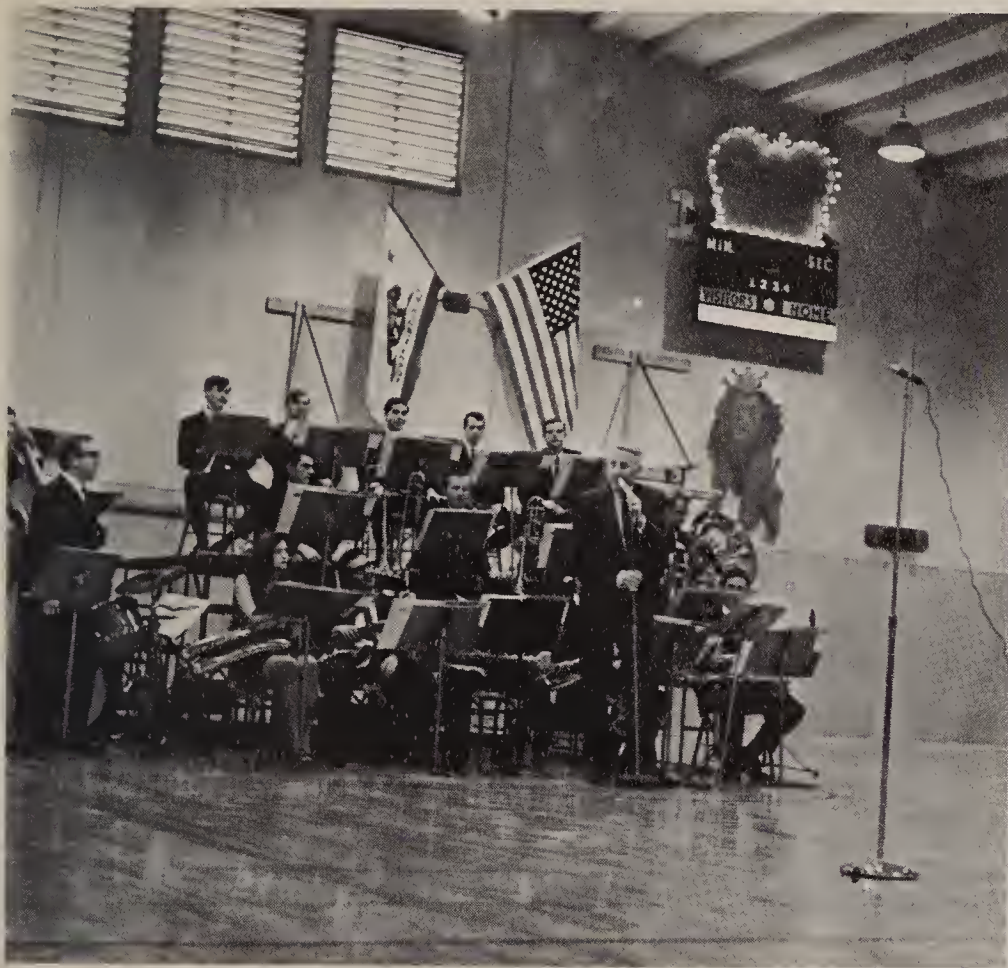

Jana Sigars is starting to raise her hand to offer helpful suggestions.

Sue Papike left the Monarchy in January for a sheep ranch 17 miles from Colac, Australia. After many written papers and interviews, Sue was chosen to be one of 1300 A.F.S.ers out of 7,000 applications. She is living with the Frank McIntosh family, and one of her daily jobs is milking the cows "which I am good at!" School there is much harder than in the U.S.; "you have to be a genius to pass." When taking time out from her studies, Sue swims in the shark-infested ocean while "spotters" scan the water, and visits the cute kangaroos that are all over. Sue Papike writes that she is having a wonderful time, and will return home to Monte Vista next January.

MONARCHS WELCOME KENTON

Stan Kenton's band performed for the Monarchy on Jan. 26, 1967. It included five saxophones, five trumpets, four trombones and the bass and drums.

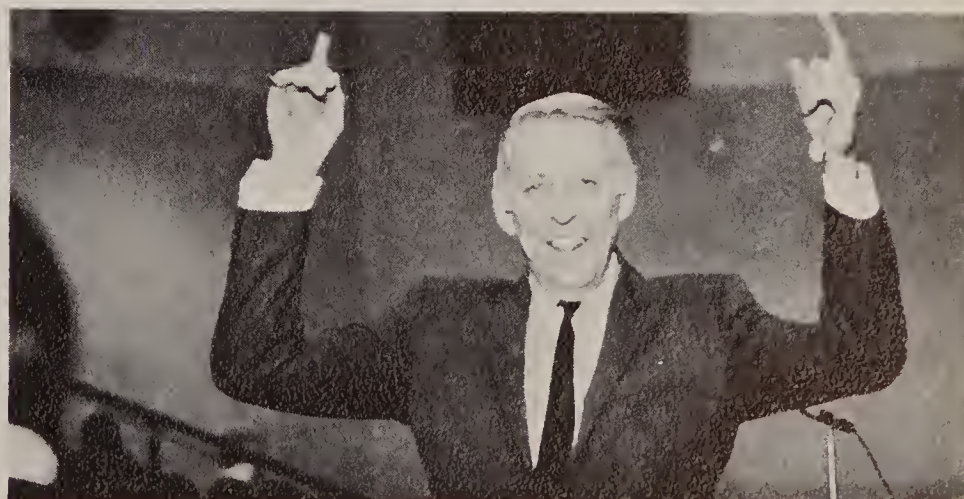

Mr. Snyder, Monte Vista Band Director, played an important role in bringing Stan Kenton to the Monarchy. Here, he introduces Bill Fritz the assistant director.

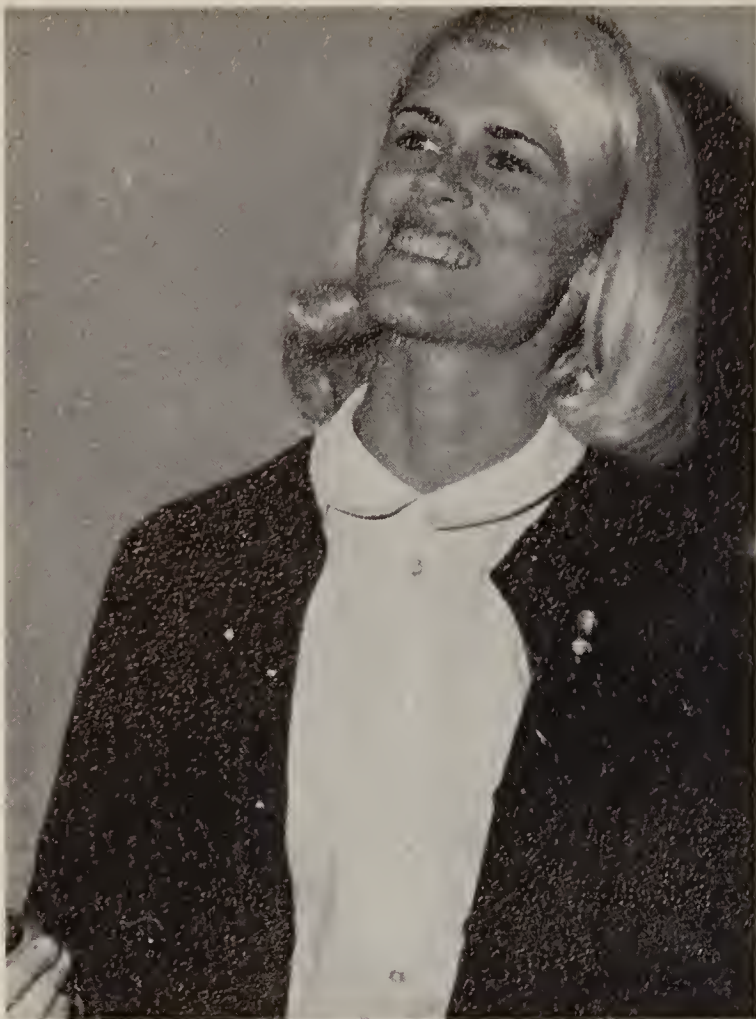

Trombonist Bill Paine was a member of the 1963 graduating class at Monte Vista High School.

The only female member of the band was the baritone saxophone player.

Stan Kenton not only directed but also accompanied on the piano.

Cheryl Chott, President, headed the meetings held every Thursday during both lunches in the A.S.B. room.

The three main activities for the year were the Big-Little Sister Party, Sadie Hawkins Week, and the Mother-Daughter Banquet.

GIRLS' LEAGUE - BOYS' FED

Activities sponsored by Boys' Fed are Ugly Week, crowned by the Ugly Man Dance, and the Senior-Faculty Basketball game.

The meetings were held every Wednesday during both lunches in the A.S.B. room with Dave Watkins presiding.

A.F.S. ASSEMBLY

Anchalee Tunsagul and Charoon Sirirak from Thailand.

Helge Rappold from Germany.

HIGH SCHOOL STADIUM

FINAL DETAILS PREPARED

Monarchs roared to their classroom windows to watch as the last light was put in place on Oct. 19.

The electric scoreboard was completed on the afternoon of the opening game, Oct. 20.

Monarchs cheer as hopes and balloons rise preceding the first game in the new Monarch stadium on October 20. The lights purchased from Westgate Park, provided enough light, 500 watts per bulb, enabling even the most nearsighted Monarch to see the Monarchs host the Helix Highlanders.

The ticket booth was built by the Woodshop classes and paid for by the Class of 1967.

Whew, it fits . . . Calculations and hard work pay off as the pole fits easily into place.

COMMISSION

Sergeant-at-arms, Gray Graham removes trouble-maker Dave Watkins.

Larry Skeels, A.S.B. President, leads Commission Class meetings.

The Commission Class meets during fourth period to discuss and solve school problems.

COMMISSION CLASS

The Commission or Student Government class at Monte Vista "co-ordinates and initiates all student activities" says Larry Skeels A.S.B. Pres. This includes a number of things from running football games to writing up assemblies. Generally, the class solves all school problems through discussion.

This is the only class at Monte Vista where a student has to be endorsed by a previous record of hard work for the school to become a member. Requirements include being an elected officer and/or having the approval of the A.S.B. advisor, Mr. Stewart, and a counselor.

The major project this year for Commission Class was the opening of the stadium. "It was a tremendous achievement that we will be famous for in later years", said Larry. Other projects included the badly-needed revision of the school constitution and student handbook. "Cleaning up the A.S.B. Office was the biggest job of all", said Larry.

STUDENT COUNCIL

OFFICERS: Ben Small, Vice President; Mila Bulat, President; Ruth Langohr, Secretary; Cindy Smith, Treasurer; Chris Barr, Parliamentarian.

Monte Vista's Student Council is headed by A.S.B. Vice-President Mila Bulat. She opened the meetings at 8:00 every morning on Monday with a flag salute in room 605. Representatives were also privileged to attend one monthly meeting during period four class time. It was discovered that more was accomplished at these meetings because everyone came!

This year the council accomplished a number of jobs. Teacher of the week, month, and year were chosen by nomination from classes. The Homecoming float was constructed and sent to the Mother Goose parade. The Student Council was also in charge of organizing the Nominating Convention and choosing the guest speaker. Along with Commission Class, S.C. organized the Faculty Tea held Jan. 24 and the Sweetheart Ball held in Feb. Plans also called for completion of the draw bridge on the castle.

The Student Council Representatives listen intently and take notes in order to report back to their classes.

Ruth Langohr and Randy Herr were among the nominees for the office of Secretary.

BOY - GIRL STATE

Larry Skeels was one of 850 boys participating in Boys' State for eight days last June. Sponsored by the American Legion Auxiliary, it was held at the California State Fair Grounds where Larry described his residence as a "cow barn" which "wasn't too bad after we swept out the straw." As one of the forty citizens of Filmore City in Gough County, Larry ran for the County Superintendent of Schools and won, beating two other boys. He was also a member of the Federalist party, opposing the Whigs, and Larry said that the funniest incident of their legislation was convicting a Whig of murder for the slaying of a frog. An elaborate frog-funeral followed! Each party had separate political rallies and money-making deals in which they could only use certified Boys' State Money. The only factor that dampened all the fun was the weather—the first day it was 115°! Larry felt that the most worthwhile thing to him was "the relationship among the boys at Boys' State. From the first day, guys from all over California were 'old friends' who felt free to discuss any matter and voice their opinion." As a last comment, Larry said, "the food could've been better."

Barb Paine represented Monte Vista at Girls' State. As one of 552 girls, she spent eight days last June in the "beautiful" University of California at Davis dorms learning more about American government. Barb and her roommates were citizens of Burbank city in Bidwell county, and called themselves the "Burbank Babydolls." As a member of the Whig party which opposed the Tories and the counselors called "Twigs," Barb ran for State Assemblyman from her city. She had the most fun during the afternoon swimming in the largest pool in California in 105° weather, and at night when neighboring boys stood under the dorm windows yelling at the girls and flashing lights. One night when Barb and her roommate were flashing back at them, the counselor burst into their room and took their flashlight away! "We giggled for hours over that!" said Barb. The most impressive things were the night-time inaugural of the first Negro Gov. of Girls' State, and the food which was "delicious." "Everyone gained 5-10 lbs. even after walking an average of ten miles a day!" Barb agrees with a quote from Mom Farrand: "There are no strangers at Girls' State, only friends who haven't met."

LUMBER
COMPANY

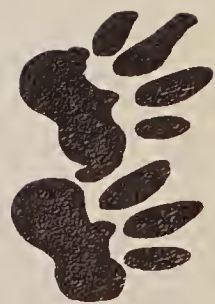

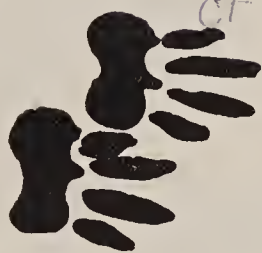

Dear Reg,

You've done so many weird things, so I know I'll never forget you (1- that night with big B. Paine at my house, 2- that recording for Joe, 3- your snake act that fits you so well 4- the way you act when Pauls cabs on your skinny legs, etc. etc) - I hope you make it to B.Y.U. - you and Paul could really show these underdeveloped Mormon boys a thing or two. Good luck with your artwork and never lose that distinctive tone of voice you have.

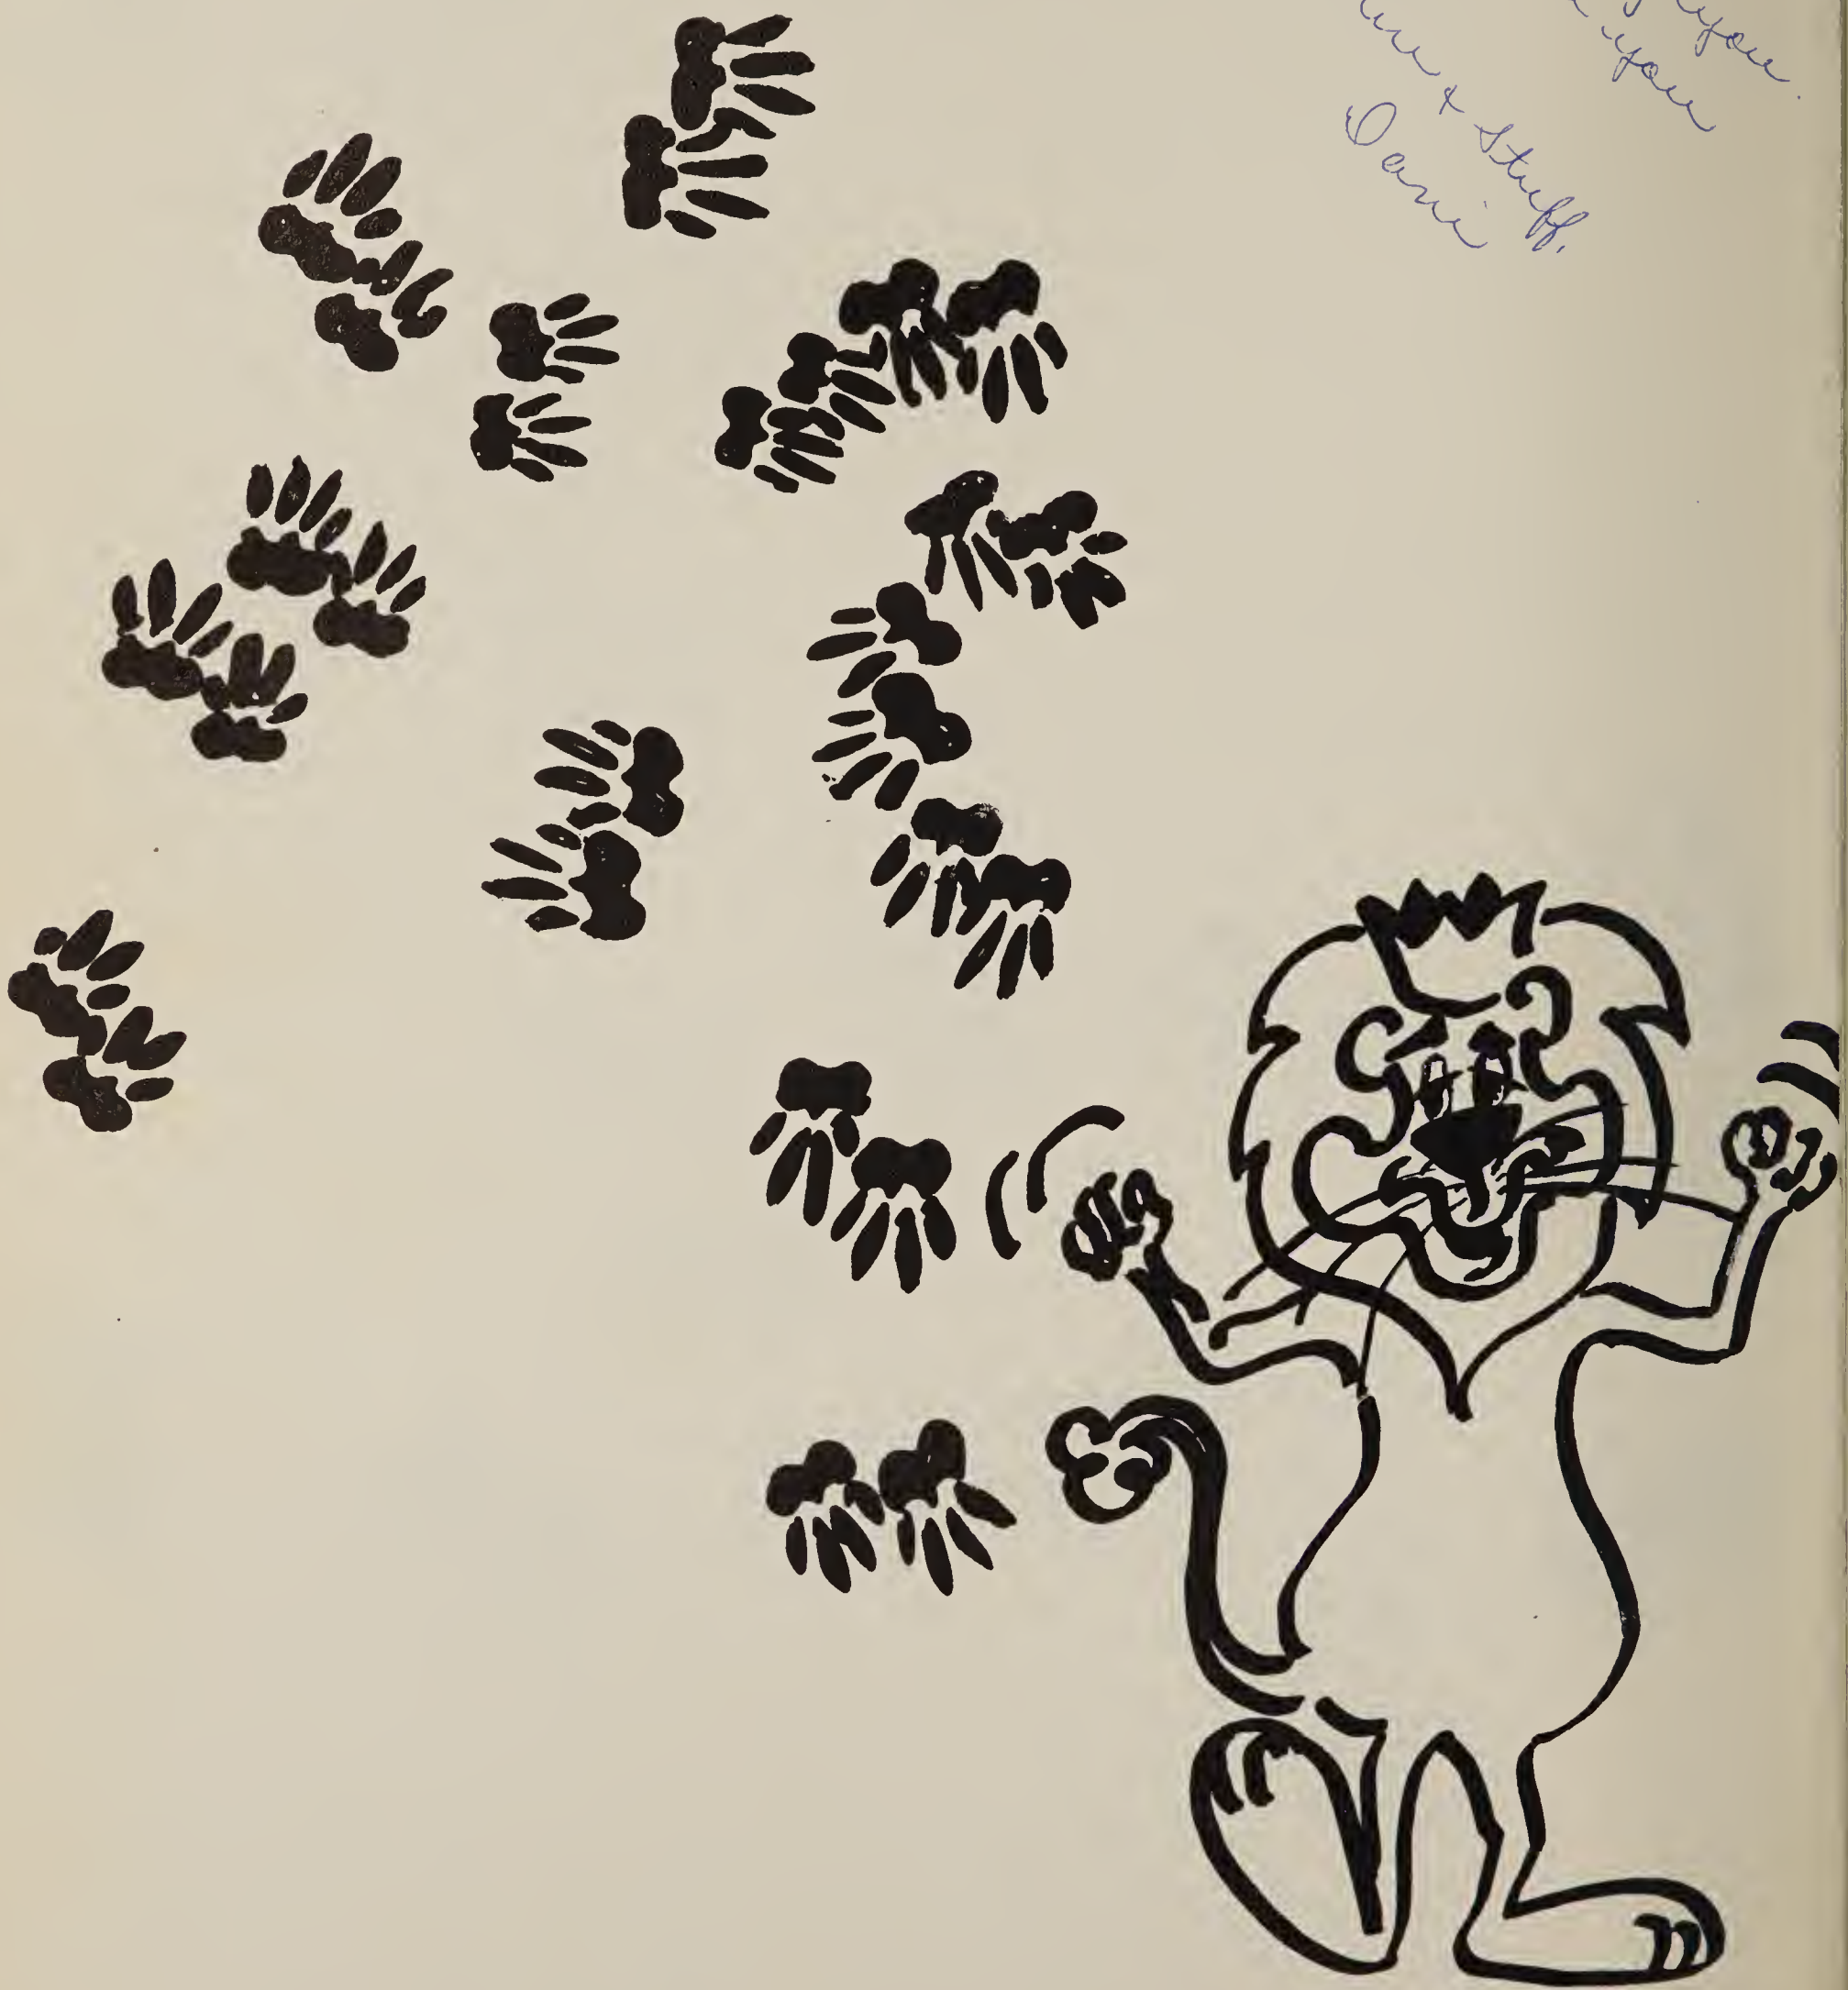

Love,

Candy

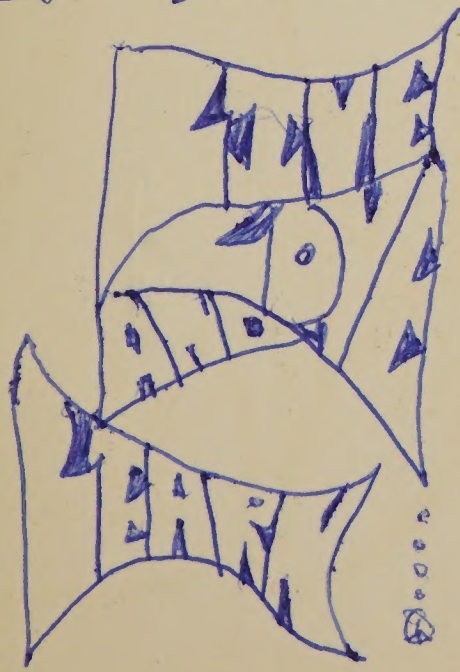

Big Good Luck!

Reginald,

A formal name for the event ^{all}ways remember. I could go on for pages about the type of person you are but you know that better than me, so why the hassle. But! I will tell you what I think of you *? ! * * ! ? . Really, I like you & I don't really care what other people say. (Have I got you worried?) Yours fun & I enjoy your company. To me you have a nice build, beautiful eyes, and a lot of growing up to do, but so do I! I hope in the future we will always remain friends, or at least on speaking terms. I hope you don't mind that I took up practically the whole page. I'll leave you with three words
